The fact that the point, was identical.

In the Parke-Larned match superior steadiness and accuracy of the American champion were noteworthy, in view of the fact that such qualities have not always been his specialties. Parke's service was ineffective, and his backhand was by no means as strong as his forehand.

The Clothier-Dixon match was an other one-man affair, the American cutplaying the Englishman at every point. Clothier contented himself with remaining in the back court, winning his points, seldom coming up to the extra though when he did his smashing was deadly.

CHATTANOGA, TENN., September
14.—Chattanooga batted Hanks all over
the field and won the third game of
the championship series, 7 to 1. Castro has appealed to the league directors to reverse their action, throwing
out Thursday's game, which was forfeited to Augusta. To-day's game,
which was played in place of that one,
will be thrown out in the event the
other is reinstated at the league meeting Friday morning in Augusta.

McMahon became angered at Westervelt's decision that he was out on a

a rock at the umpire. The umpire then
ordered him out of the game, and MoMahon tried to strike him, whereupon
a policeman escorted him from the
heavy hitting of Coles, a one-handed
catch of a hard drive by Dobbs, and
Violet's perfect throw from deep left
to first base, which completed a double
play. The two teams left to-night for

ANNAPOLIS, MD., September 14.—
Football work at the Naval Academy was outlined to-day and the first gun of the campaign was fired in the issumance of gridiron togs to members of the new fourth class who are going out for the team. BOSTON, MASS., September 14.—Abe Attell, of California, the featherweight champion, was given the decision over Tommy O'Toole, of Philadelphia, in twelve rounds by Referee Charles White, of New York, at the Armory Athletic Association to-night. The decision was a surprise to the majority of 2,000 or more persons who saw the fight, and they expressed their disapproval in vigorous fashion.

O'Toole did the forcing throughout, and in the last round had the blood flowing from Attell's face as he drove him around the ring with stiff punches.

The fifth round was the hardest fought of the bout, Attell driving O'Toole to the ropes with smashing rights and lefts to the head. But O'Toole came back and sent Attell staggering into the corner. The round closed with Attell repeating his first charge, forcing O'Toole to cover.

Up to the final round honors were about even, and the twelfth saw O'Toole master of the situation, sending in hard swipse on Attell's nose and smashing his body with short jabs in the clinches. Attell had little opportunity to land a blow. him. The score:
